Futhi lesi kwakuyisigijimi sakhe: "Emva kwami kuza lowo olamandla kulami, ontambo zamanyathela akhe angifanele ukukhethama ngithukulule" (Marku 1:7)"

UMarku uqala ngokusethulela kuNkulunkulu elungiselela uhambo lweNdodana yakhe (Mk. 1:1-2; Mal. 3:1). Uhambo oluqala emagumeni asezulwini, futhi oluzothatha uJesu Kristu lumuse esiphambanweni, ukuze amukelwe futhi eZulwini (Marku 16:19).

Ukuze alungiselele le indlela, uNkulunkulu ukhetha uJohane uMbhaphathizi, "izwi elimemeza ehlane" (Marku 1:3; Isaya 40:3).

Ngaphambi kokuba uJesu aqale uhambo lwakhe lokunikela ngokuphila kwakhe ngenxa yethu, uJohane walungisa izinhliziyo zabantu ngokubaqondisa ekuphendukeni futhi ebamema ukuba babhapathizwe (Marku 1:4-6).

uBaba umethula njengeNdodana yakhe, futhi uMoya oNgcwele
ubonakalisa ubukhona bakhe ngesimo somzimba (Marku 1:10-11).
Kusukela ekuqaleni, uJesu uvezwa njengomuntu waphezulu, iNdodana
kaNkulunkulu. Kodwa futhi uvezwa njengomuntu:

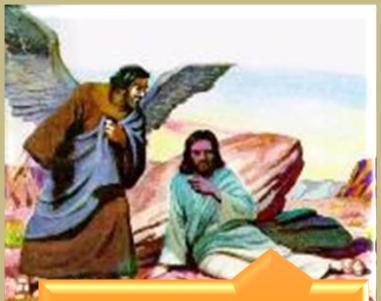

Ubhapathizwa
nguJohane,
hatshi ngenye
indlela (Marku

Iqondiswa
nguMoya
(Marku 1:12)

Kudingeka
abe yedwa

UBhekana
lobunzima
obubonakala
yo (Marku

Le yindlela uJesu wethulwa ngayo kithi: unguNkulunkulu ngokugcwele futhi ungumuntu ngokugcwele. UngaMsindisi
loMfowethu, iNkosi leSibonelo. Kuyisambulo esigcwele sothando lukaNkulunkulu esintwini.

“Inkazimulo eyahlala kuKristu iyisifungo sothando lukaNkulunkulu ngathi. Lisitshela ngamandla omthandazo: ukuthi izwi lomuntu lingafinyelela kanjani endlebeni kaNkulunkulu futhi izicelo zethu zingathola ukwamukelwa emagumeni asezulwini... Ukukhanya okuthululwa eminyango evuliwe ngaphezu kwekhanda loMsindisi wethu wathululelwa kithi lapho sithandazela usizo lokumelana lesilingo. Izwi elakhulumma loJesu lithi kuyo yonke imiphefumulo ekholwayo: “Lo uyiNdodana yami ethandekayo, engithoza ngayo.”
