**Abolwazi lokucubungula ngoluntu lembali bembula ukuthi inkolo yaseKhanani yayiyilokho kanye iBhayibheli elikutshoyo: ubuthakathi, ubusanuse, ukuxhumana labafileyo, ukusebenzelana lemimoya... lokunikela ngabantwana! ( Dut. 18:9-12 ).**

# INDABA YOKULUNGISISA UKULOKULUNGA

“UNkulunkulu ungumahluleli olungileyo, uNkulunkulu obonakalisa ulaka lwakhe usuku ngosuku. Uma engaphenduki, uyolola inkemba yakhe; uyakugoba, abophe umntsoko wakhe.” (Funda iHubo 7:11-12.)

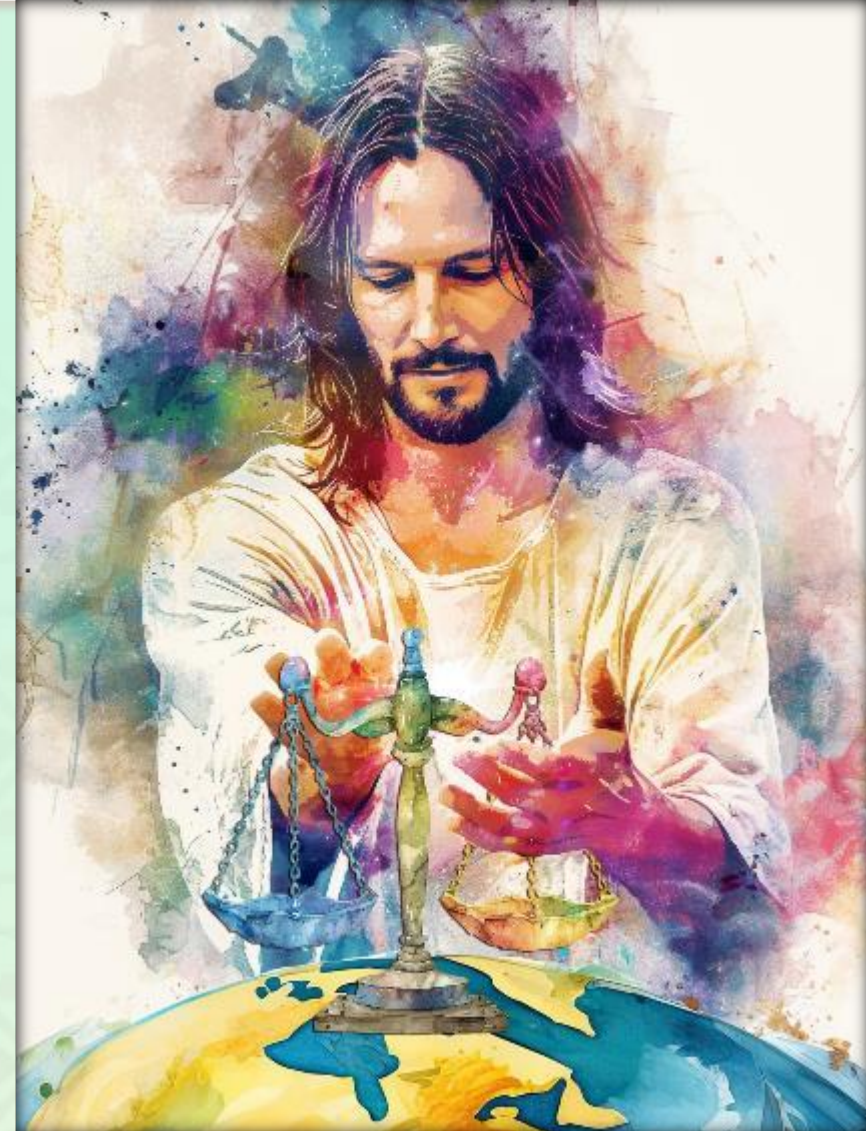

Uthando lokulunga kuyisisekelo sesimo sikaNkulunkulu. Lokhu kumenza abe ngumahluleli olungileyo longakhethiyo, ohlehlisa isijeziso ukuze isoni siguquke, kodwa ongeke abekezelele ububi kuze kube phakade.

Impi yokunqoba iKhanani ayizange ilwe ngenxa yezizathu zombuso, kodwa ngomyalo waphezulu wokufeza isijeziso esasifanele izakhamuzi zakhona ezimbi.

Isifiso sikaNkulunkulu kwakuyikumisa uhulumeni olungileyo kuleyo ndawo, owayezoba yisibonelo kuzo zonke izizwe, uzidonsele ukuba ziphakamise imiqondo yazo yokuziphatha, ngaleyo ndlela zifinyelele isimo sokuthula lokulungisa ukuqondileyo emhlabeni wonke ( Duteronomi 4:5-6 ).

"Kepha yazi lamuhla ukuthi uJehova uNkulunkulu wakho nguye odabula phambi kwakho njengomlilo oqothulayo, uyakubabhidliza, bazithobe phambi kwakho, abaxotshe, libabhuge masinyane, njengalokho uJehova ekuthembisile. ( Duteronomi 9:3 )

**NgokweBhayibheli, izimpi kwakufanele zilinganiselwe ezimweni ezithile futhi zazichazwa nguNkulunkulu Uqobo Lwakhe. Le imithetho eyayibusa izimpi ezazimiswe nguNkulunkulu:**

Ibutho elifundisiweyo lalingavunyelwa

Amasotsha ayengakhokhelwa futhi ngezinye izikhathi ayengakwazi ngitsho lokweba

Impi yayivunyelwe kuphela ukunqoba loba ukuvikela iZwe Lesithembiso ngaleso sikhathi somlando

Babeholwa ngabaprofethi ababephefumulelwe uNkulunkulu (njengoMose loba uJoshuwa)

Ukulungiselela okungokomoya kwakudingeka ngaphambi kwempi

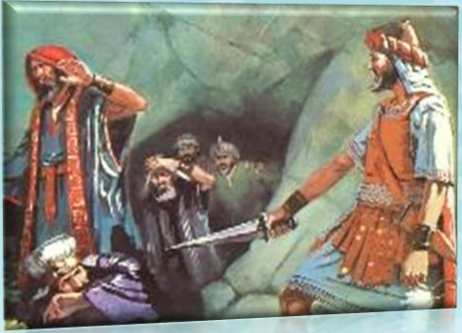

loba nguphi umIsrayeli owayengayilandeli imithetho yempi wayekhangelwa njengesitha

Ezikhathini eziningi, uNkulunkulu wangenela ngokuqondile kule mpi

# BABHIDLIZWE NGOKUZIKHETHELA KWABO

“Ngakho uJoshuwa wasinqoba sonke isigaba sezintaba, leningizimu, lezintaba zasentshonalanga, lemithambeka yezintaba, kanye lawo wonke amakhosi azo. Akashiyanga loyedwa owasindayo. Waqeda konke okuphefumulayo, njengokulaya kukaJehova uNkulunkulu ka-Israyeli.” ( Joshuwa 10:40 )

Yonke indawo yaseKhanani yabizwa ngokuthi isiqalekiso, okunguyikuthi, inikezelwe ekubhujisweni. Konke okuphilayo kwakuzakufa ( Dut. 20:16-18; Josh. 10:40 ).

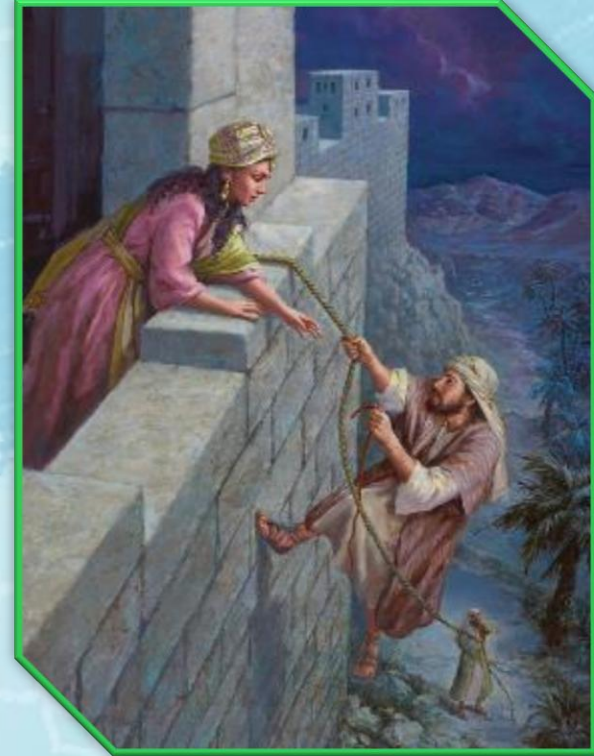

Ngalokho, kwakukhona okuhlukileyo:

Phambi kukaNkulunkulu, amaKhanani lama-Israyeli ayebhekwa ngokulinganayo: ngokungakhethi. Umehluko wawuyikuthi abanye bakhetha ukuphikelela ekuhlubukeni kwabo kuNkulunkulu, kuyilapho abanye bekhetha ukumlalela. Manje, isinqumo ngesethu. Lapho uJesu efika, sizosindiswa loba sibhujiswe ngokukhetha kwethu.

Labo ababemiselwe ukubhujiswa abalalela uNkulunkulu babengaphila (isb., uRahabi)

Ama-Israyeli angazange amlalele uNkulunkulu ayezobulawa (isb., u-Akani).

**“Ngiyakwenza ukuthula kube ngumbusi wakho, lokuphila kahle umbusi wakho.”—Isaya 60:17b.**

**UJesu ubizwa ngokuthi “iNkosi yokuthula” ( Isaya 9:6 ). Uzele ukuletha ukuthula, futhi uzabusa ngokuthula. ( Johane 14:27; Isaya 60:17 ). Kodwa kuze kube yilapho umbuso wakhe wokuthula uba ngokoqobo, sihlala endaweni elempi, sicwile engxabanweni yamazulu phakathi kokuhle lokubi**

**Lapho ibutho laseSiriya livimbezela iDothani ukuze libambe umprofethi u-Elisha, akazange acele uNkulunkulu ukuba avumele ibutho lasezulwini elimzungezileyo libhubhise abaseSiriya. Kunalokho, wacela ukuhola ibutho laseSiriya elaliphuphuthekile alise eSamariya ukuze, lapho selikhona, alethe ukuthula phakathi kwezizwe ezimbili ezilwayo (2 AmaKhosi 6:12-23).**

**Lesi isibonelo uJesu asifundisa sona: ukufuna ukuthula njalo lapho kungqubuzana. Ukunqoba okubi ngokuhle. ( Roma 12:20-21 ).**

“Ukubhujiswa okupheleleyo kwabantu baseJeriko kuwukuyigcwaliseka kwemiyalo eyanikezwa ngaphambili ngoMose ngokuphathelene lezakhamuzi zaseKhanani [...] Kwabaningi le miyalo ibonakala iphikisana lomoya wothando lesihe olawulwe kwezinye izingxenye zeBhayibheli, kodwa eqinisweni yayiyizimemezelo zokuhlakanipha lobuhle obungapheliyo. UNkulunkulu wayesezamisa u-Israyeli eKhanani futhi abe ngumbusi phezu kwabo ukuze abe lombuso waKhe phakathi kwabo futhi babe lombuso Wakhe emhlabeni. hatshi nje ukuba yizindlalifa zenkolo yeqiniso, kodwa lokufakaza izimiso zayo emhlabeni wonke amaKhanani ayesezitshiyile ubuqaba obunyanyekayo lobubi kakhulu, futhi kwakudingekile ukuba izwe lisuswe lokho okwakuyovimbela ngokuqinisekile ukugcwaliseka kwenjongo kaNkulunkulu y` omusa.”
