

UJOSHUWA WEQINISO

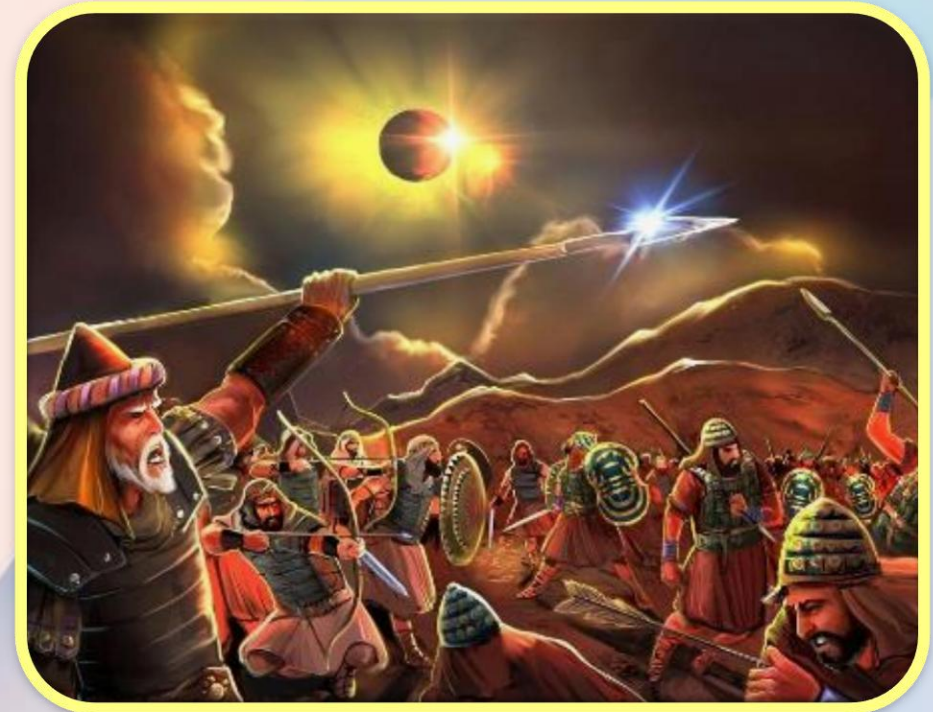

Isifundo setshumi kuMpalakazi ilanga lesithupha ku2025

“Lezozinto zabehlela bona kube yisibonelo, kodwa zalotshelwa ukuba kufundiswe thina, osekufike kithi ukuphela kwezikhathi. (1 Korinte 10:11)

Singafunda ukuphila kukaJoshuwa, okuchazwe kuyiPentateuch lasencwadini kaJoshuwa ngokwayo, ngezindlela ezimbili ezihlukeneyo (kanye leziphelelisanayo): njengomlando langokomfanekiso.

Ukuze senze incazelo engokomfanekiso efaneleyo yomfanekiso kaJoshuwa, kufanele siqale sazi imithetho elawula ukufaniswa kweBhayibheli: izinhlobo lezifaniso. Uma lokhu sekwenziwe, sizalandela umkhondo kaJoshuwa kulo lonke iBhayibheli ukuze sithole imilayezo uNkulunkulu asishiyele yona ngeZwi laKhe maqondana “loJoshuwa ongumfanekiso”.

UKUFANISWA KWEBHAYIBHELI

IYINI I-INDLELA YOKWEHLUKANISA

“Manje lezo zinto zabehlela bona kube yisibonelo, kodwa zalotshwa ukuze kufundiswe thina, osekufike kithi yikuphela kwezikhathi” (1 Korinte 10:11)

UPawulu - labanye ababhali beBhayibheli - basebenzisa igama elithi "uhlobo" ukuze babhekisele kumuntu ngokwembali loba isenzakalo esimele okuthile loba othile wesikhathi sakhe kanye/loba ikusasa (okuthiwa “isifaniso”).

Ngokwesibonelo, eyabaseRoma 5:14 ikhuluma ngo-Adamu njengomfuziselo [“umfanekiso” kuyi-KJV] “walowo owayezakuza,” okuyikuthi, uJesu—ngumfuziselo

Ezikhathini eziningi, eTestamenteni Elidala sithola inkomba yokuthi izimilo zabathile loba izehlakalo ziyizinhlobo zento ethile ezayo. Ake sikhangele izibonelo ezimbili:

UKUHFLELA NGOHLOBO

"lapho ahlala khona kwaze kwaba sekufeni kukaHerode, kwagcwaliseka-ke lokho okwatshiwo yiNkosi ngomprofethi ukuthi: "Ngayibiza indodana yami ukuba iphume eGibithe" (Mathewu 2:15)."

Izinhlalo zeTestamente Elidala zikhomba ezinhlotsheni ezintathu ezihlukeneyo zomfuziselo eTestamenteni Elitsha: uKristu; iBandla; lezikhathi zokugcina.

UMFANEKISO KAJOSHUWA

UJOSHUA NJENGOHLOBO

"UJehova uNkulunkulu wenu uyakulivusela umprofethi onjengami phakathi kwenu phakathi kwabafowenu, limlalele." (Duteronomi 18:15)

UJoshuwa wagcwalisa ingxenye yesiprofetho sikaMose mayelana lomprofethi wesibili owayezahola abantu (Dut. 18:15-19).

NjengoMose, uJoshuwa wathola izigijimi eziqondileyo ezivela kuNkulunkulu; wagubha iPhasika; wawela amanzi; wabona iNgelosi yeNkosi; isandla sakhe eseluliweyo saletha ukunqoba; wamema abantu ukuba bahlale bethembekile ngemva kokufa kwakhe; njalo.

Kwathi imana laqala ukuba ngaphansi kukaMose, lasuswa ngaphansi kukaJoshuwa. Ngaphezu kwalokho, uJoshuwa wazigcina iziyalezo eziphathelene lokuhlukaniswa kwezwe lemizi yesiphephelo uMose ayeyiphiwe.

Kodwa abantu baqonda ukuthi isiprofetho sikaMose sadlulela ngalé kukaJoshuwa (Johane 1:21). Ngakho, bobabili uMose loJoshuwa baba izifanekiselo zomfuziselo weqiniso owasiqaphela ngokugcwele isiprofetho esanikezwa uMose mayelana 'loMprofethi': uJesu (IzEnzo 3:22-26).

UMFANEKISO KAJOSHUWA

"Ngesikhathi somusa wami ngiyakukuphendula, langosuku lwensindiso ngizokusiza, ngikugcine, ngikwenze ube yisivumelwano sabantu, ubuyisele izwe, uhlukanise ilifa lalo eliyincithakalo."— Isaya 49:8 .

Injongo yezimpi ezaziholwa uJoshuwa yayikukufaka ama-Israyeli eZweni Lesithembiso. U-Isaya uveza umsebenzi kaMesiya njengohlanganisa ukwabela "ilifa eliyincithakalo [abantu bakhe]." (Isaya 49:8 , NIV) esebenzisa igama elifanayo lelencwadi kaJoshuwa.

Impilo lomsebenzi kaJoshuwa (njengomfanekiso) kubonakala ngawuphi umqondo ekuphileni lasemsebenzini kaJesu (umfuziselo)?

Ngemva kokubhaphathizwa kwakhe eJordani, uJesu walwa lamandla obubi

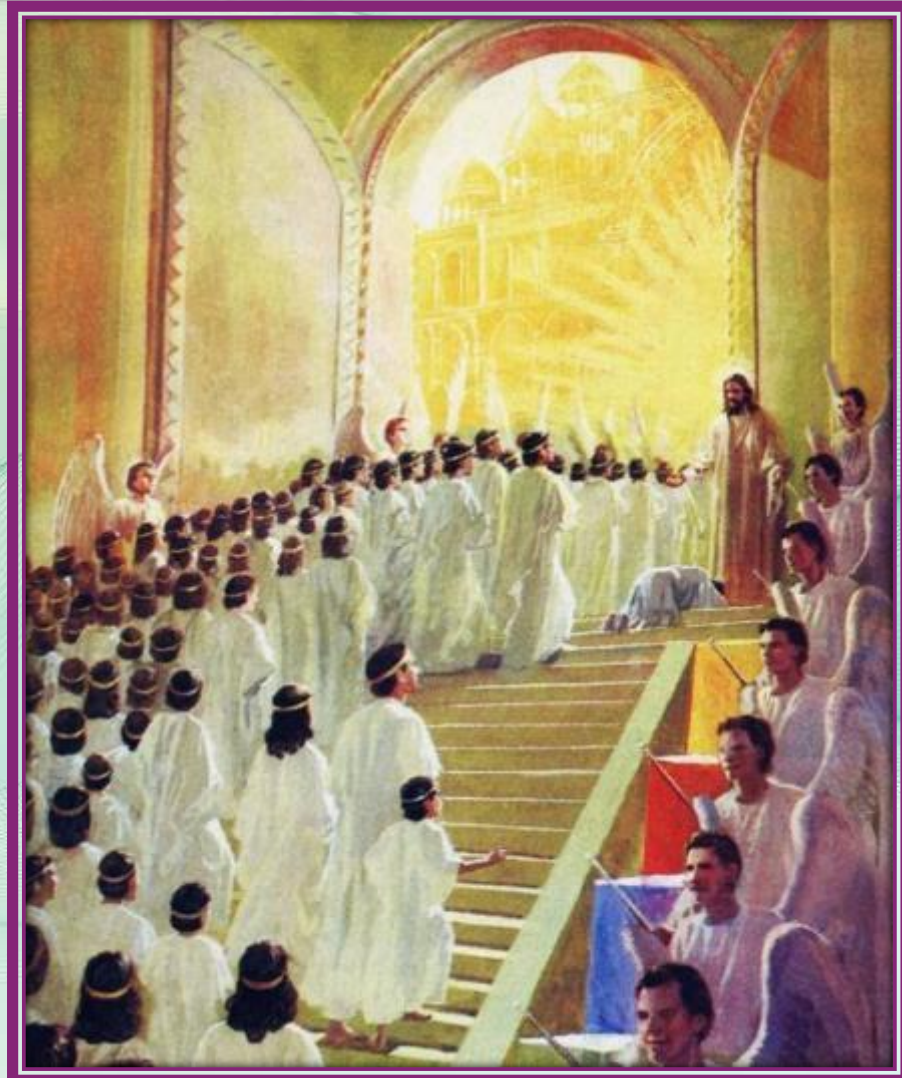

Waqala umsebenzi wakhe ngemva kwezinsuku ezingamatshumi amane enhlane

Wanqoba isitha esiphambanweni

Usenza sinqobe izitha zethu ezingokomoya

Usinika ukuphumula kweqiniso

Usabela ilifa elingenakonakala

UJOSHUWA NJENGOHLOBO LWEBANDLA

Ngokuba asibambene legazi lenyama, kodwa sibambene lababusi, lamandla, lamandla alobu bumnyama bezwe, lamandla omoya ababi emkhathini. (Efesu 6:12)

UJOSHUWA LEBANDLA

Lamuhla silempi okufanele siyilwe, lapho siholwa “uJoshuwa” wethu, osihlomisa ngezikhali ezidingekayo (Efe. 6:10-12).

Ngaphezu kwalokho, usesabele kakade ilifa, futhi usigcwalisa ngezibusiso ezingokomoya (Efes. 1:3, 11).

UJOSHUWA KANYE LEZIKHATHI ZOKUPHELA

Kodwa ukugcwaliseka okupheleleyo okungokomfanekiso kukaJoshuwa kuzoba sekupheleni, lapho zonke izixuku zobubi zibhujiswa, futhi sithatha ilifa lethu ngokugcweleyo: izwe lapho singahlala khona ngokuqiniseka (IsAm. 20:7-9; Hez. 28:26).

Kuze kufike leso sikhathi, masikhule emseni njengoba kwenza uJoshuwa, sivumele uNkulunkulu ukuba asiguqule ukuze sifane Laye kancane usuku losuku.

“U-Israyeli kaNkulunkulu, ehambela eKhanani lasezulwini, uloMphathi owayengadingi ukufundiswa komuntu ukuze amlungiselele umsebenzi Wakhe njengomholi ongcwele; lokho wenziwa wapheleliswa ngezinhlopheko; futhi “ngokuba Yena ngokwakhe ehluphekile elingwa, ulamandla okusiza abalingwayo.” Heberu 2:10, 18. UMhlengi wethu akazange abonise ubuthakathaka loba ukungapheleli komuntu; lokho wafa ukuze asitholele indawo yokungena eZweni Lesithembiso.”
