

## A rupfu no kwizera imyuka y'abapfuye:

### ❖ Ubugingo budapfa.

- Bibiliya yigisha ko tugizwe n'“imigabane” itatu: “umwuka, ubugingo, n'umubiri” (1Abatesalonike 5:23). Yigisha kandi ko iyi migabane yuzuzanya (ari magirirane). Itangiriro 2:7 hatwigisha ko Imana yaremye umubiri, ikawushyiramo ubuzima (umwuka), maze hakabaho ikinyabuzima kizima (“ikinyabuzima,” mu Ruheburayo, ni *nefesh* = “ubugingo”).
- Iyo umwuka w'ubuzima utuvuyemo, tureka kubaho. Nta mugabane w'imibereho yacu ufite kubaho nyuma y'urupfu. Umubiri urapfa, umwuka (imbaraga zitanga ubugingo) ugasubira ku Wawutanze, naho ubugingo, bukomoka ku bumwe bw'umubiri n'umwuka, bukareka kubaho (Umubwiriza 12:1–7; Ezek. 18:20; Yobu 7:7–9).
- Kuva icyaha cyakwinjira mu isi yacu, Satani yakoresheje abantu bashaka kuvugana n'abapfuye no kubungukiramo ubumenyi bwihariye bw'ubu cyangwa bw'ejo hazaza.
- Bibiliya yigisha ko “umuntu wese ukurikiza iyo migenzo aba ikizira ku Witeka” (Gutegeka 18:10–12). Igihano cy'iki cyaha cyari urupfu (Abalewi 20:27).

- Isezerano Rishya, kimwe n'irya Kera, ryigisha ko urupfu ari ibitotsi Yesu wenyine ashobora kudukanguramo (Yohana 11:11–14; Yohana 5:28–29).
- Igihe Pawulo yandikiraga Abatesalonike, yababwiye ibyerekeye “abasinziye,” ni ukuvuga abamaze gupfa, abwira Abatesalonike ko abo bazazuka bakajyana na Yesu igihe azaba agarutse (1Abatesalonike 4:13–18). Iyo Pawulo aba yarizeraga ko abizera bahita bajya kwa Yesu iyo bapfuye, yari kubivuga atyo aho kubabwira biriya.
- Ubwo Pawulo yavugaga ku bapfuye, yavuze ko bazazurwa “igihe [Yesu] azazira”, ntabwo ari mbere (1Abakorinto 15:22–24). Yatubwiye kandi ko “tutazasinzira twese”. Abazima bazahindurwa mu kanya gato, ariko abapfuye bazazuka bamaze guhindurwa (1Abakorinto 15:51–52).
- Umuzuko ni urufunguzo rwo kubana na Yesu. Hatariho kuzuka, nta gakiza kaba kariho (1Abakorinto 15:13–18). Ku muzuko ni ho tuzakira umurage wacu, bityo rero tugomba gutegereza icyo gihe (1Petero 1:3–5).

### ❖ Ibimenyetso n'ibitangaza.

- Kwizera imyuka y'abapfuye ni idini iyobowe na Satani, kandi urufatiro rwayo ni ukudapfa k'ubugingo. Abayobokeye bayo bemeza ko bashobora kuvugana n'abapfuye, bakavugaga ko bahabwaga nabo imbaraga ndengakamere.
- Igihe kizagera ubwo izabemerera gukora ibitangaza ndahinyuzwa bizatangaza ababireba (Mariko 13:22; 2Abatesalonike 2:9; Ibyahishuwe 7:1; 13:13–14).

### ❖ Intego y'ubupfumu.

- Umugambi wa Satani ni ugutsinda intambara yo kurwanya Imana, guhirika ingoma yayo, no kwigarurira intebe yayo (Yesaya 14:13–14). Kugira ngo abigereho, akoresha ubucakura bwose kugira ngo atsinde buri wese, ahereye ku bubasha bwa politiki butuyobora (Ibyahishuwe 16:12–14).
