DYUGU DYUGU ABRA PARDON

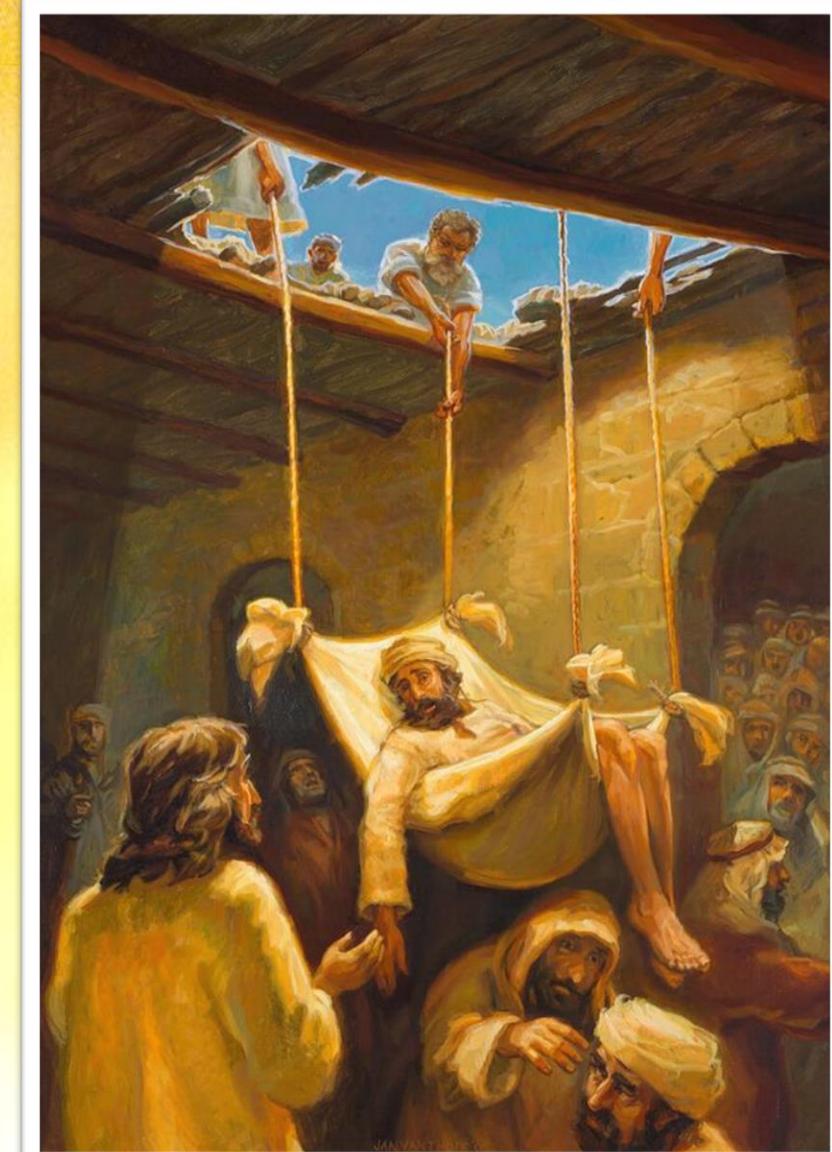

"Di Yeises si den bribi, a taigi a lan man, Boi, yu kisi pardon fu yu sondu." (Markes 2:5)

Di Yeises go baka na a oso fu Peitres ini Kafarnaum, furu sma kon arki en. (Mark. 2:1,2) Fo mati go na en, na so wan fasi, dati Yeises ben kan meki a mati di ben lan, kon bretre. Den no ben doro pe Yeises ben de. Di den ben poti ini den ede fu tyari en go na Yeises, den go na a dak, den meki wan olo fu saka en go na gron, na Yeises. A taki fu Yeises tapu. Alasma pi. Den ben e luku san Yeises ben sa du. (Markes 2:3,4).

"Yu kisi pardon fu yu sondu" (Mark.2:5) A lan man ben kan kragi: "san mi abi fanowdu, na fu waka." Ma a no du dati. Yeises betre a soro te na a rutu. Dan a man no tye abra a waka di a ben wani fu waka, ma baka a pardon, di gi en freide fu en sili ben de.

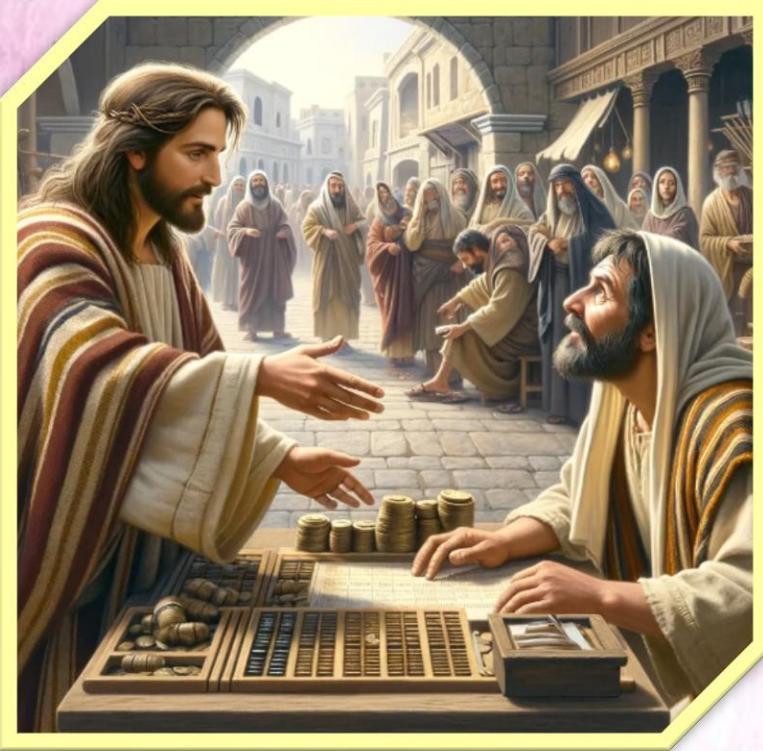

Fu den leriman, Yeises ben teki a presi fu Gado (disi ben sa tru, efu Yeises no ben de Gado) Fu demo dati a ben abi makti fu gi pardon, Yeises dresi a lan man. (Mark. 2:8-11).

A pipel prijse Gado fu di a gi Yeises a makti fu gi pardon fu sondu. (Mark. 2:12;Math. 9:8) A lan man waka; ma den leri man tan breni. Den no ben man si, dati Yeises ben kan leisi den ferstan, gi a sondari pardon e'n meki a kon betre.

DYUGU DYUGU FU N'NYAN

"Di a ben waka, a si a boi fu Alfeus; Leifi. A ben sidon, pe den ben pay lantimoni."Waka na mi baka," so Yeises taigi en, dan Leifi opo, waka na en baka." (Mar. 2:14)

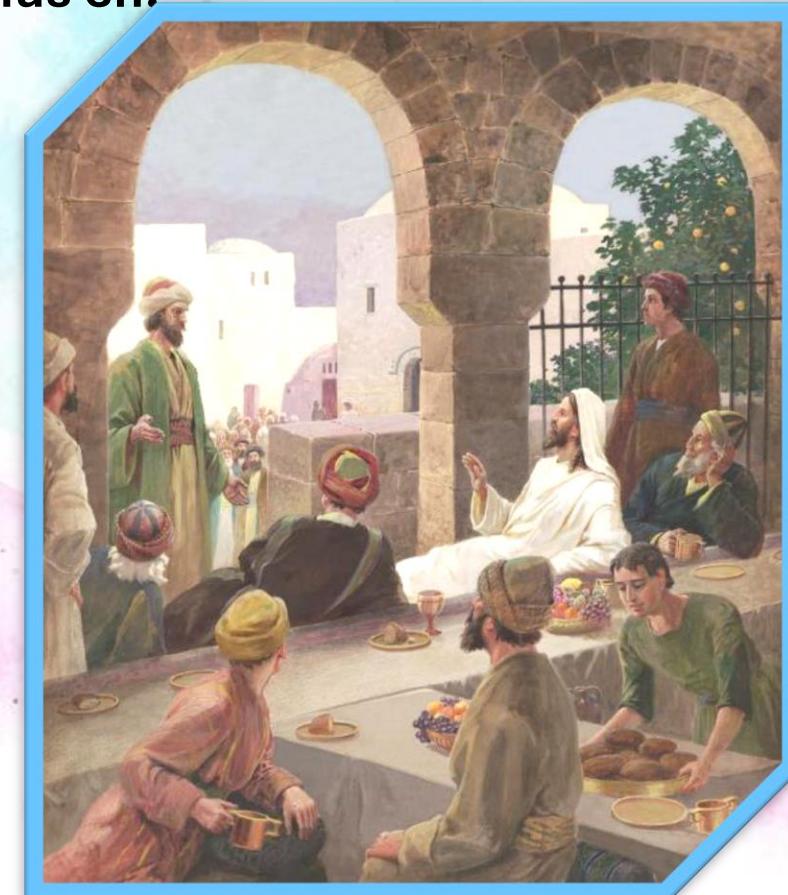

A no muilek fu denki a dyugu dyugu san a kari fu Leifi tya. (Mark.2:13,14)
Fu wan dede Dyu, wan sma di e peki lanti moni, ben moro takru leki wan hijden. Den ben si en leki wan dalaman,di ben e wroko gi feiyanti.
Den no ben kan nyan nanga den,noso fas en.

Ma a kon moro takru, no nyan soso,
Yeises nyan ini a oso fu a lantimoni
man, ma a ben de nanga den.
(Mark.2:15). Den man nanga kritik,
no las'ten:" San na disi, ai dringi
nanga nyan nanga den lantimoni
man nanga sondari?" (Mark.2:16).

Yeises piki den wan kon' fasi. Pe moro bun,
leki dya, pe mi kan feni sondari fu ferlus?
(Mark 2:17) moro fara a tyalans den fu luku
den eigi firi. Den ben musu leri fu lobi.
(Math. 9:12,13).

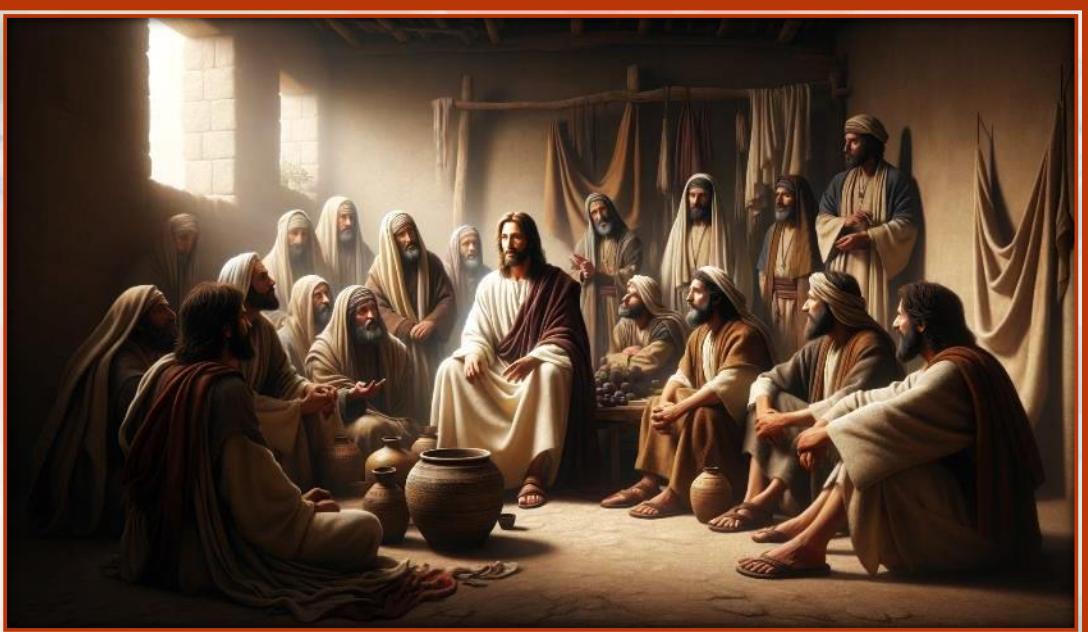

DYUGU DYUGU FU N'NYAN (2)

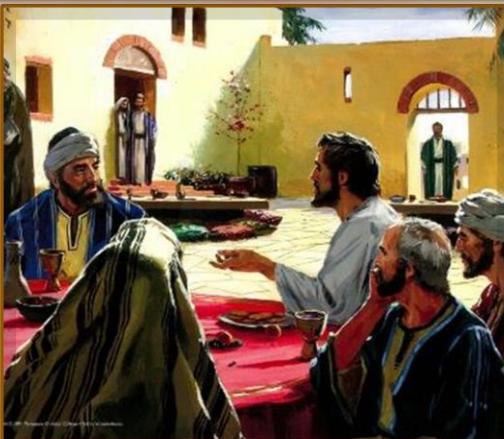

"Yeises piki," Fa den fisiti fu a trowman kan faste, te a de nanga den ? Dati no kan, so langa a de nanga den." (Mark. 2:19)

Prefu den leri fu lobi, den Farisei dyuku den disipel fu Yohanes fu yoin den ini den kritik: Fa a de dati den disipel fu Yohanes nanga di fu den farisei e faste, ma di fu yu no e faste?" (Mark.2:18).

Yeises piki den ini wan tori:

A tori fu a trow
(Mark.2:19,20).

Fa wan sma kan faste pe trow e hori? A trow Masra na Yeises, den fisiti na den disipel. Di Yeises dede nanga opo baka,dan den disipel ben musu fu faste.

A tori fu nyun nanga owru (Mark.2:21,22).

Den leri fu Yeises ben kmoto ini a aladei libi, den no ben de den owru tori, di den ben gwenti.

DYUGU DYUGU ABRA A SABAT

"Den Farisei taigi en, "Luku, sainde den e du sani di no mak, tapu a Sabat?" (Mark. 2:24)

Den Farisei ben leri 39 sortu wroko di ben broko a Sabat rostu di Gado ben poti.

Di den teki a blonsiri fu puru a boba fu nyan en, den disipel du dri sani di no ben mak a tapu a Sabat: Den piki, den piri nanga blow (Mark. 2: 23,24; Math.12:1,2).

Yeises piki den: You no memre David, di angri ben kiri en, a nyan santa brede, di na soso den domri ben mak nyan? (Mark. 2: 25,26).

Baka ten, Yeises du wan 'wroko', di no ben de ini den 39, ma owktu ben de wan di ben broko a Sabat: dresi sma. (Mark. 3 :1-3).

Yeises piki: "San a kebot wani tapu a Sabat: fu du bun noso ogri fu ferlusu, noso fu kiri "? (Mark.3:4).

Tef'kba, Yeises na Masra fu a Sabat, e'n a gi wi en,di a bun gi wi. (Mark.2 : 27,28).

Fa wi e ferstan, den di e hori a Sabat tranga, ben wani kiri en. (Mark. 3:6)

**DYUGU DYUGU AKSI ABRA
YEISES**

NANGA SORTU MAKTI AI DU WONDRU?

"Den leriman fu a kebot, di saka kon fu Yerusalem taki, Na Beilsebub teki en! Na a kownuboi fu den didibri, meki ai yagi takru yeye gwe." (Mark. 3:22)

Markes e begin wan tori fu a famiri fu Yeises, ma ai tapu nanga a tori fu, ferteri wan dyugu dyugu tori nanga den farisei. Bakaten a sa drai go baka na a fosi tori. Someni leisi Markes e du a sani disi, fu tyari tu tori kon na wan. Nanga dati ai meki krin, sortuwan moro prenspari.

Ini a tori dis, a prenspari sani, na a sori finga fu den leriman, sortu makti ben e trusu Yeises fu yagi takru yeye gwe. (Mark. 3:22).

Agin, Yeises gebroiki wan tori fu sori a kron fu den sori finga na en tapu. (Mark.3: 23 – 27). Yeises e go ini a oso fu wan trangaman (Didibri), dan ai tai en, fu teki ala san a abi (fri a sma di didibri ben tai).

Ai teki owktu a okasi fu warskow fu poti a wroko fu a Santa yeye ini anu fu didibri. (Mark. 3: 28- 30).

YEISES LAW?

"Di en famiri yere disi, den go fu teki en, den taki "a las en ferstan."
(Mark. 3:21)

¿San meki a famiri fu Yeises denki a kon law (Mark. 3 : 20:21)?

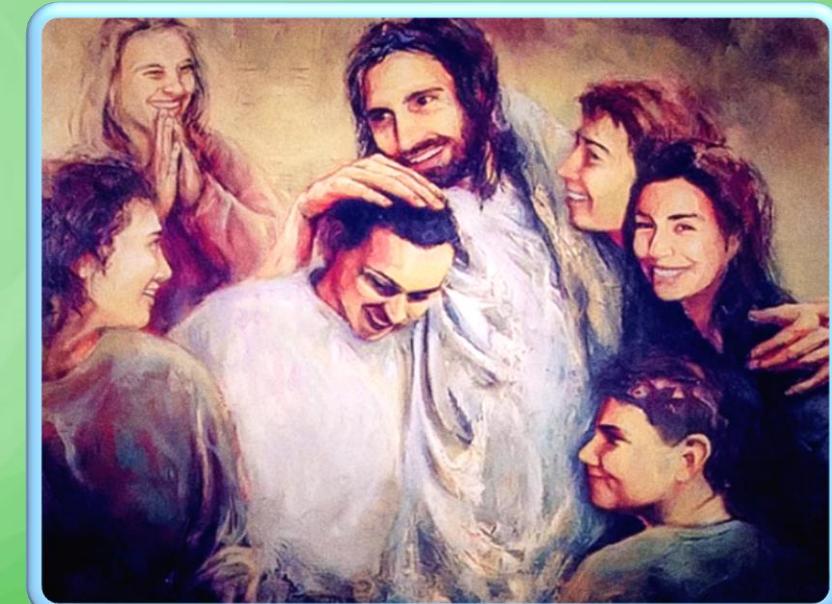

Tumsu wroko, no nyan bun, stres fu furu taki, taki nanga leriman e'n Farisei...

Baka wan syatu pause, Markes e doro nanga a tori, pe den famiri ben kon luku Yeises, en m'ma nanga den brada fu en. (Mark. 3: 31).

¡Yeises no ben spang nanga en famiri! (Mark. 3 : 32,33).

Ma ai e kori yu. En m'ma nanga den brada no ben abi leti. Fu libi en wroko a momenti dati fu taki nanga den, no ben sa bun gi en wroko nanga den srefi.

Moro prenspari leki famiri tai, na den tai nanga en famiri na yeye fasi: Suma e du a wani fu Gado, dati na mi brada nanga mi sisa nanga mi m'ma." (Mark. 3:35).

“A ye ye fu de teige trawan, no sa de teige den di no de nanga Gado, sobu no abi ye ye krakti. A sa de teige den di de getrow, di no e brasa grontapu, di no sa kanti go na san grontapu e meine, san a lobi nanga san ai teige. A ker kidini di e tyari wan libi getoigi fu de santa, di de teige bigi memre, gridi, sondu nanga modo, grontapu no sa de teige den di de kresten na mofo taki... Te yu e lij fu di sma e kosi yu, fu di sma de teige yu, dan yu de nanga bun mati, bika Yeises teki ala den sani disi nanga bun furu moro. Ef uyu e hori bun wakti gi Gado, den sani disi sa miti yu. Na den dekati sili, di sa tan getrow, te den tnapu den wawan, di sa wini a kownuati di no sa go lasi.”
